Tour Itinerary

Lake Mburo & Gorillas 4 Days

Day 1:

Transfer from Kampala to Bwindi Impenetrable National Park

Drive from Kampala and head southwest to Bwindi Impenetrable National Park. You'll briefly stop at the Equator to take photos and have an educative talk, later have lunch in Mbarara. You will drive through the verdant rolling hills of Uganda, and through the highlands of Kigezi referred to as the 'Switzerland of Uganda', enjoy the breathtaking views of the legendary mountains as you drive through this area. Bwindi and the Virunga volcanoes of Congo as well as Rwanda are home to the only surviving in danger of extinction mountain gorillas. From here you will drive into the verdant valley and finally into the Impenetrable Forest of Bwindi you will dine and slumber at Buhoma Community Bandas, Trackers Safari Lodge or Gorilla Resort.

Day 2:

Gorilla Tracking in Bwindi Impenetrable National Park

Have an early breakfast 6:30am, then proceed to the park headquarters by 7.30am for a briefing from the Park Wardens. Ensure to carry along rain jacket, drinking water, snacks, ankle high jungle boots. The park wardens will allocate you different gorilla families which you will track. The park rangers will lead you inside the jungle to see the shy Primates for a group you have been booked for. Do not forget to take your lunch boxes and all the necessary gear to track the rare Mountain Gorilla, perhaps one of the most exciting wildlife experiences on earth. The tracking may take between 2 and 8 hours but it's well worth the effort. The afternoon is spent on a village walk which gives you a great opportunity to see how the people surrounding Bwindi Impenetrable Forest live. It also is a great way to support the local community in a direct way. The Walk begins with your guide at your lodge and is most informative, rewarding to the average visitor. It will amaze you how resourceful the local people are as you see and learn their ways. The cultural excursion will showcase art and craft, dance and culture as well as way of life if you have time you can learn a few skills yourself.

Lake Mburo & Gorillas 4 Days

Day 3:

Transfer to Lake Mburo national Park, Afternoon Boat Cruise

Following breakfast, proceed to Lake Mburo national Park, home to the zebras and impalas which are small antelopes mainly concentrated around Lake Mburo of all the national Parks in Uganda. Actually the capital city of Uganda – Kampala was named after this stunning small animal. Along the way you will be able to see the spectacular Kigezi highlands plus some other uncultivated scenery. On arrival in the park, have a boat trip in the afternoon on Lake Mburo, and there you will have an opportunity to even see some smaller lakes such as lake Kazuma and Lake Bwa. Marvel at the giant hippos, buffaloes plus crocodiles just in the shallows of the water. There are several stunning birds to see such as the Abyssinian ground hornbill, saddle bill storks and the beautiful crested crane (which is on the national emblem of Uganda), among others.

Day 4:

Morning Game Drive, Transfer to Kampala

After breakfast, you will have an early morning game drive to see some other wildlife in Uganda besides the gorillas you saw in Bwindi Impenetrable National Park and among these will be: zebras, warthogs, buffaloes, klipspringers, elands, oribi as well as waterbucks. In the afternoon you will return to the capital stopping over for lunch in Mbarara and lastly stopping in Masaka at the equator to take your last picture here in the Pearl of Africa.
