## Jinja Adventure 2 Days

### Day 1:

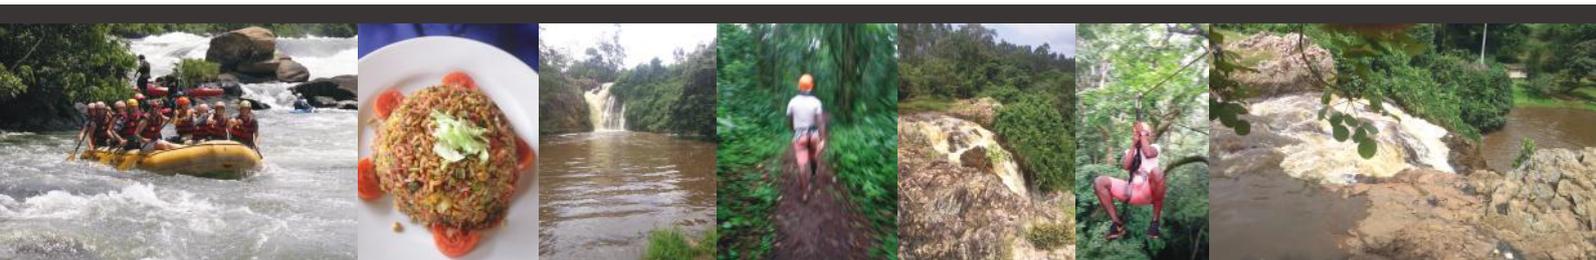

#### Kampala – Jinja, Jungle Zipline, Sunset Boat Cruise

Jinja is the second biggest town in Uganda after Kampala. It is here that you will find the source of River Nile, Bujagali falls plus a couple of industries. Jinja is situated on the Northern shore of the large Lake Victoria just above the impressive Ripon falls close to the Owen falls dam. Drive from Kampala to the east along the Jinja – Kampala high-road. Make a short stopover in the Mabira forest; see the various primates including the grey checked mangabey plus the red tailed monkeys. In addition, there are butterflies and a great profusion of birds like the Nahan's francolin, endemic forest wood-hoopoe plus the African pitta. The Mabira forest is a special ornithological site within Uganda. Have adrenaline rush with forest zip lining through the thickets. Later proceed to Jinja. Visit the source of the River Nile. The place where Speke saw the Ripon falls back in 1862. Dinner and overnight at the luxurious Jinja Nile Resort, or at the budget 2 Friends guesthouse FB

### Day 2:

#### White Water Rafting, Bungee Jumping, Transfer to Kampala.

Following breakfast, go for white water rafting on the most well liked falls in the whole of Uganda. The rapids extend over 10 kilometers down the river to the source of the Nile and this has made it one of the finest places for water rafting as well as kayaking. Rafting can be done by all individuals from beginners to professionals. After, go bungee jumping or even quad biking. Jinja is filled with so much adventure that you can't be bored at all. Enjoy your adventure! After lunch, you will go back to Kampala and that will end this adventure safari
